Hi Chip / Eric –

During last week's TCT mtg both of you were interested in getting a copy of the Tribal MOA. Below is an email that I sent to Ray regarding the MOA and a link to the website. Most of the information on the website related to the MOA is available under the April 7, 2008 posting.

I asked Ray to review LWG's memo regarding the Lamprey population vs individual assessment issue. We would like to help EPA with understanding the level of discretion you may have on this issue. Can you let us know our timeframe for getting you our perspective on this issue?

Thank you,
rose
